Honorable Dante B. Fascell, Chairman
Subcommittee on International Operations
Committee on International Relations
House of Representatives
Washington, D.C. 20515

Dear Mr. Chairman:

Thank you for your letter of 12 July inviting me to testify before the Subcommittee on International Operations about Intelligence Community interest in international education programs. Unfortunately, my schedule is such that I will not be able to testify in person. I would, however, like to submit the enclosed written statement as you suggested.

I appreciate being able to contribute to this worthy effort on the part of your Subcommittee.

Yours sincerely,
